HOC SIGNO FORTUNA

BALTIMORE, TUESDAY, March 20, 1821.

Splendid Distribution.

Our friends at a distance who have not yet forwarded their orders for tickets or shares in the CONSOLIDATION LOTTERY, are reminded that the drawing is to take place on the 27th of next month, and that unless they are speedy in their applications, it may be too late to embrace the splendid opportunity which the scheme offers of realizing an independence. The whole lottery is to be drawn in one day—the prizes all floating and payable in Cash without deduction; they are as follows:

- 1 Prize of 30,000 Dollars
- 2 Prizes of 5,000 Dollars
- 1 Prize of 4,000 Dollars
- 1 Prize of 3,000 Dollars
- 5 Prizes of 2,000 Dollars
- 10 Prizes of 1,000 Dollars
- 30 Prizes of 100 Dollars
- 600 Prizes of 25 Dollars

No time should be lost in applying for tickets or shares particularly as they are still to be had at the original prices, viz:

Whole Ticket price only \$25	may produce \$30,000
Half Ticket price only \$12 50	may produce \$15,000
Quarter Ticket price only \$6 25	may produce \$7,500
Fifth Ticket price only \$5	may produce \$6,000
Eighth Ticket price only \$3 12 1/2	may produce \$3,750
Tenth Ticket price only \$2 30	may produce \$3,000

ORDERS from any part of the United States, enclosing the cash post paid, will meet the most prompt attention addressed to

J. I. COHEN, Jr.

Secretary to the Managers, Baltimore.

Bank bills of the District of Columbia, of the states of Virginia, North and South Carolina, Georgia, United States bank and branches, and of all specie paying Banks in Pennsylvania, New-York, and Maryland will be received in payment for tickets at par.

The Great Success,

Which has heretofore attended the investments of distant adventurers in the Baltimore lotteries, will no doubt induce a continuation of orders to COHEN'S OFFICE, where a very large number of Capital and minor prizes have been sent to distant adventurers particularly to the states of Virginia, North and South Carolina, and Georgia.—It will be recollected also that in the Monument Lottery, which was drawn in this City on last New-Years' day the great capital of 40,000 dollars was owned by a gentleman in Boston, and for which the CASH WAS ADVANCED at COHEN'S OFFICE, the instant the ticket was presented. The 10,000 dollar prize was sold in Shares at COHEN'S OFFICE, one quarter of which we had the pleasure of forwarding per mail to a gentleman in Cambridge, Ohio, many other capitals heretofore drawn we have had the satisfaction of distributing amongst our customers in almost every section of the Union.

The Supreme Court of the United States adjourned on Friday last the 16th inst. sine die.

It will be recollected that there will be no deduction on the prizes to be drawn in the Consolidation Lottery on the 27th of next month.—In the scheme (the whole of which is to be completed in ONE DRAWING only) there were originally but 4000 tickets and at present very few remain for sale.—In order therefore to prevent similar disappointments to those which occurred in the Monument Lottery, we would advise our distant friends not to delay in forwarding their orders, either for whole tickets or shares to COHEN'S OFFICE where more capitals have been sold than at any other office in America.

Latest from the Mediterranean Squadron.

Capt. Holmes, of the Ramdollahadav, arrived at New York, left at Gibraltar United States ship Peacock, captain Brown, last from Port Mahon, where he left the Columbus 74, Com. Bainbridge. The Spark had gone to Barcelona from Mahon with the American Consul, the officers and crew in good health. The Peacock was to convoy a store ship, which was expected every day from America. A few days before leaving Ivica, there was a proclamation issued, that the Plague had ceased at Minorca, and vessels were admitted free. Salt plenty and good.

The Macedonian from the Pacific, and the Columbus, from the Mediterranean, are expected to return home this summer.

It is said Com. Porter is to proceed to the Pacific Ocean, in a line of battle ship, with two frigates, to protect the American merchantmen in that sea.

It will be seen by the report of Capt. Cary, of ship Levant, arrived at New York last week from Canton, that the United States frigate Congress, capt. Henley, was at Lintin on 10th Nov. last, and expecting to sail for the United States on the 20th of that month, taking under convoy such American vessels as might be ready and desire to sail with her.

We are informed that Major General Brown and Brigadiers Gaines and Scott, are retained in service under the new regulation of the army; and that they have been ordered on to Washington.

One of the steam boats of the Union Line, between Philadelphia and Baltimore, performed the trip between Newcastle and Philadelphia, 42 miles, in 3 hours and 42 minutes. There was scarcely a breath of air stirring.

The Editor of the Savannah Georgian says: "Hardly a vestige of the awful conflagration, which defaced this city on the 11th January, 1820, now remains, by which it can be traced."

The average amount of Bank of England Notes which have been in circulation during the quarter ending the 5th of January, 1821, according to an official statement in Saturday night's Gazette is 22,693,575l. 5s. 6d.

Bell's Messenger.

OHIO, February 12.

MAIL ROBBERY.

Last week, Birdseye Oviatt, of Hudson, Portage county, deputy post master at that place, was suspected of robbing the mail—he was accordingly arrested, and upon examination confessed that he had purloined money from letters at different times to the amount of eleven hundred dollars, and that he is now in possession of nine hundred dollars of that sum. He is now in prison, awaiting his trial, at the next Circuit court of the United States, to be holden at Columbus. Oviatt is a young man of respectable connections, and hitherto sustained a good character, and was in easy circumstances.

From the New York Evening Post.

FRENCH CROWNS AND FIVE FRANC PIECES.

The act establishing the currency of these coins, which would have expired on the 29th of April next, has by a law of the last session of Congress, been extended for two years from that date. The five franc pieces being a recent coin are not depreciated in weight but the French coins being old coinage are almost invariably lessened by wear. The law of congress only makes them a tender, at 110 cents, on condition of their weighing 18 dwts. 17 grs. but as few will be found to weigh that, they cannot be counted upon as current at 110 cents. Indeed the banks in this city have for three months past, declined receiving them at more than 109 cents.

SHARP SHOOTING.—After the retreat of the British troops from the barrier of the American line, on the memorable 8th of January, 1815, it was discovered, that many, who possessed Falstaff's valor, had fallen down among the dead and wounded, with a view to escape when the battle was over; of these, some of the most distant from the barrier got off—some were shot down in attempting it—but the most came in and surrendered themselves as prisoners of war. Our narrator says, that his attention was called to a British soldier, who had arisen from the field, and was running at the top of his speed, by a rifleman, who exclaimed "there goes a fellow," at the moment he was levelling his gun to shoot him. The marksman was interrupted in his purpose, by a brother rifleman's laying his hand on his shoulder, with a "STOP JIM, IT IS A PITY TO KILL HIM, LET ME SHOOT HIM IN THE LEG." The interrupter accomplished the object of his humanity, shot the retreating Briton in the leg, crossed the barrier and brought him in a prisoner. The distance between the parties, was above one hundred yards.

Rise of Tickets!

In consequence of the increased demand for tickets in the Consolidation Lottery, and the small number remaining on hand, we lose no time in informing our friends in the country, that the price will be ADVANCED on Friday the 30th of this month to Twenty-eight dollars. In the mean time all orders either for whole tickets or shares will be supplied at the original rate of twenty five dollars. Adventurers are requested to lose no time in forwarding their orders, addressed to

J. I. COHEN, Jr.

Secretary to the Managers—Baltimore.
